Who We Are...

BCASCD is an affiliate of the Association for Supervision and Curriculum Development (ASCD).

As an affiliate we share in the governance of ASCD through representation on the Board of Directors. We are autonomous yet work within and benefit from a common educational framework in an effort to achieve common goals in education.

Our Mission...

As the provincial leader in professional development, BCASCD identifies quality educational practices, promotes exemplary practices in curriculum, and develops leadership and professional capacity for the success of all learners.

Why Should You Belong?

BCASCD provides opportunities for British Columbia educators to connect professionally on issues that affect education and professional practice. As the regional leader in professional development, we impact classroom instruction, assessment, and student learning in this province.

Our Vision...

To be the leader in offering professional development in the province of British Columbia

To connect educators through forums, professional conferences, debates and learning seminars

To be the provincial leader in influencing effective classroom practice

Our Strategic Plan...

BCASCD will

...ensure that all activities of the Board emerge from our shared mission, vision and strategic plan.

...provide service to learners in all regions of the province.

...increase provincial membership that promotes diverse professional learning communities.

...develop and maintain effective communication with our membership.

Benefits of Membership

- Provincial, national and international networking
- Access to national and international resources
- Provision for personal and professional development
- BCASCD conferences
- Regular newsletters and updates
- Access to ASCD curriculum and instruction trainers
- Professional fellowship, quality in-service and sharing of ideas and experience
- Reduced conference costs
